

# **Transit Route & Schedule Changes**

**Effective  
October 10, 2016**

**WATA**   
Williamsburg Area Transit Authority

# About this Guide

At Williamsburg Area Transit Authority (WATA), it's our priority to improve the safety, efficiency and effectiveness of our public transit system. As part of this effort, WATA will implement systemwide service changes, including route, schedule and fare changes, effective **October 10, 2016**.

To assist in the awareness and understanding of the upcoming changes to WATA's service, this guide contains information on all of our routes with updated maps, schedules and details of the service modifications.

If you have any questions after reviewing this guide, please contact WATA.

## Systemwide Change Highlights

- Scheduled timepoints will be modified to increase schedule accuracy and on-time performance.
- Hours of operation for Gray (Route 1) and Blue (Route 2) will be extended until 11:00 p.m. Monday - Saturday.
- Jamestown (Route 6) will add Saturday and Sunday service.
- New bus stops will be added (see individual route pages for details).
- Specified existing bus stops will be eliminated or will be serviced by an alternate route (see individual route pages for details).
- Buses will no longer be extended a "five-minute courtesy" in order to reach transfer stations. This change will increase the on-time performance of our system as a whole. WATA has no control over delays due to traffic, vehicle accidents or other unexpected delays.
- Frequency service (30-minute headway) will be provided during peak periods, from 6:30 a.m. – 9:30 a.m. and from 3:30 p.m. – 6:30 p.m., Monday through Friday (for applicable routes only).
- Frequency service will be eliminated from Tan (Route 7). It will only provide hourly service.
- Stop names and bus announcements will be modified to provide better location information.

# Table of Contents

Fare Change .....	3 - 4
Gray (Route 1) .....	5 - 6
Blue (Route 2) .....	7 - 8
Orange (Route 3) .....	9 - 10

## Service Modifications

- Trolley route will reverse direction to provide bi-directional service to Green Line
- This route will now provide earlier service hours, beginning at 9:00 a.m.

## Stop Eliminations

- Prince George St. + N. Henry St.
- Francis St. + Parking Lot 5

## Stop Additions

- Several new bus stops will be added to accommodate the reversed direction of the Trolley. These stops will be located near/across from existing stops so all general locations will continue to be served

# Passenger Tips

- Be at your departing stop five minutes prior to the scheduled time.
- Stand next to the bus stop sign and ensure that you can be seen. Operators only stop the bus when a person is visible at the bus stop.
- Have exact fare or pass ready prior to boarding the bus. Operators are unable to provide change.
- Be courteous and leave reserved seats in the front open for the elderly and persons with disabilities.
- Read WATA's Passenger Code of Conduct for a full list of our bus rules.
- Use the rear door to exit the bus when possible. Do not cross the street in front of the bus. Wait until the bus has passed before crossing the street.

## BusTime

BusTime provides real-time arrival information for WATA bus and Trolley services via text, computer or mobile web.

Connect from your computer or mobile browser at [bustime.goWATA.org](http://bustime.goWATA.org) or text the word "goWATA" and your stop number, separated by a space, to 41-411. For example, text "goWATA 1000" (without quotes).

**BusTime will be down for maintenance in early October. Please see [www.goWATA.org](http://www.goWATA.org) for details.**

Times are estimates. We recommend that passengers arrive at their stop five minutes prior to the scheduled time. Standard data charges from your service provider may apply.
